Product Specification Sheet

Targus Blacktop 15.4” Laptop Messenger

Part #: CBT201US

Product Description:

The Targus Blacktop Laptop Messenger is designed to fit laptops with up to 15.4” screens. The padded compartment keeps your laptop safe during travel, while the durable nylon materials with signature rubber tread on the bottom of the case provides a stylish design element and shock absorption. The front workstation includes a business card holder, key clip, pen loops and multiple accessory and media storage pockets for added convenience. The headphone port allows you to store your MP3 player inside the case and to listen to music simultaneously. This case is equipped with five scratch-resistant CD/DVD sleeves so you can safely take your media with you. The luggage strap enables travelers to easily transport this case on top of rolling luggage. Easy to carry in crowded airport terminals, between meetings or at school, the Blacktop Laptop Messenger is a highly functional and durable case for students and casual business executives.
